RB-57A Canberra

F-105G Thunderchief

RF-84F Thunderflash

A-7D Corsair

4-O-4 Mainliner

Twin Beech 18S

F-100F Super Sabre

You probably have a favorite aircraft, one you especially enjoy seeing when you visit the Glenn L. Martin Maryland Aviation Museum. Help us keep the aircraft at Strawberry Point looking good by adopting one. While we do the cleaning and painting, your contribution will help us maintain the aircraft that make our museum special.

Your \$25 per aircraft “adoption” is good for 12 months and goes toward the maintenance of all of the aircraft at Strawberry Point. You will receive an adoption certificate and a fact sheet about your aircraft.

This makes a great gift for the aviation fan, a way to honor someone or to honor someone’s memory.

Fill out this form and bring it to the gift shop with your payment, or mail it to GLMMAM, P.O. Box 5024, Middle River MD 21220; or go to our website ([www.mdairmuseum.org](http://www.mdairmuseum.org)) and click on “Aircraft”.
